

DT3725 SIDE HINGED LID

NORMALLY USED AS A PAIR OF OVERLAPPING DOORS.

LIGHTWEIGHT - ROBUST - USER FRIENDLY - COST EFFICIENT

Two lids used together to form an overlapping door prevents water ingress.

4 ribs per lid designed for maximum strength.

Can be personalised with a custom name plate.

Equipped to accept patented CCE lock for security.

2 mould-in handle slots facilitate opening and closing.

Can be used as doors for Skips, Rolonoff containers, bottom opening containers and closed containers.

NOTES about this lid

> This upgraded design replaces the lid DR3725 and has the same application.
