

MM4937RM LID-IN-LID

WITH AUTOMATIC PROP OPENING FEATURE & ROUND FLAP FOR TAYLOR, SELLERS & SPIDER 1100 LTR CONTAINERS.

LIGHTWEIGHT - ROBUST - USER FRIENDLY - COST EFFICIENT

Flap can be propped open (recommended) for hands-free loading of bin.

User-friendly.
The flap is light and easy to lift.

Stackable for cost-effective freight.

Flap can be locked independently for additional security.

High dome for use in extreme climates.

Equipped to accept patented CCE lock for security.

Flap can be personalised with a custom name plate.

Integral recessed front handles for ease of opening.

Watertight when closed.
Flap is self-closing under its own weight.

Base lid can be produced in recycled material.

Black base lid with coloured flap reduces costs.

With a round aperture (560mm Ø) to accept 100 litre bin liner.
